

Vision Midwest Conference

**October 22-24, 2010
Madison, Wisconsin**

Exhibiting Overview

Join Ai Squared, BookShare, E.M. Vitu, Guiding Eyes for the Blind, National Braille Press, Precision Vision, Sendero Group and other exhibitors in reaching out to our consumer and professional audience!

With over 120 educational presentations from presenters throughout the U.S. plus sporting events and cultural programming, **12 State's Vision Midwest Conference** provides diverse programming aimed at a Midwestern audience of individuals who are blind or visually impaired and professionals in the field.

The 2010 conference hosts the annual conference of **Wisconsin AER**, the annual meeting of the **Wisconsin Office for the Blind and Visually Impaired**, a meeting of the **Blinded Veterans Association of Wisconsin** and an assistive technology training for consumers and professionals sponsored by **WisTech** (Wisconsin's AT Project).

Vision Midwest has coordinated programming with **Independent Laboratory Access for the Blind's** adaptive math and science education conference and an **APH National Instructional Partnership** on adaptive physical education for children with visual impairments.
